Dear Austin Cup Representative:

I am pleased to inform you that you have been selected to receive the 2008 Volunteer Leadership-Group Award from National Children's Alliance. Your nomination by Sandra Martin of the Center for Child Protection certainly impressed the judges and we are honored to present you this award.

Your award will be presented on June 17th in Washington, DC during the NCA Leadership Conference Awards Luncheon. The luncheon will be held at the Renaissance WDC Hotel and we do hope that you will be able to attend and receive this award in person. National Children's Alliance will underwrite the cost of your air travel to Washington, DC along with two nights lodging at the conference hotel and your per diem expenses. Please contact Janet Davenport, Administrative Coordinator for NCA for further information and to confirm your travel arrangements. You may reach Janet at 800-239-9950 x 100 or by email at jdavenport@nca-online.org

The selection committee was justifiably impressed with your accomplishments and indeed with the caliber of all the nominees. On behalf of the Awards Committee, please accept our sincere appreciation for your tireless work in support of our Children's Advocacy Centers and your ongoing effort in the battle against child abuse.

Sincerely,

Teresa Huizar
Executive Director
