Tokyo Electron America to Hold Joint News Conference with Austin Community College and the City of Austin

Officials of Tokyo Electron Limited (TEL) will be in Austin for the Grand Opening ceremonies of their U.S. corporate headquarters building, and to announce major donations to Austin Community College for their Semiconductor Manufacturing Training program, and the City of Austin Parks and Recreation Department for the Montopolis Recreation Center. A news conference will be held prior to the 5:00 p.m. ceremony:

Tuesday, October 29

3:30 p.m.

**Tokyo Electron America
2400 Grove Boulevard**

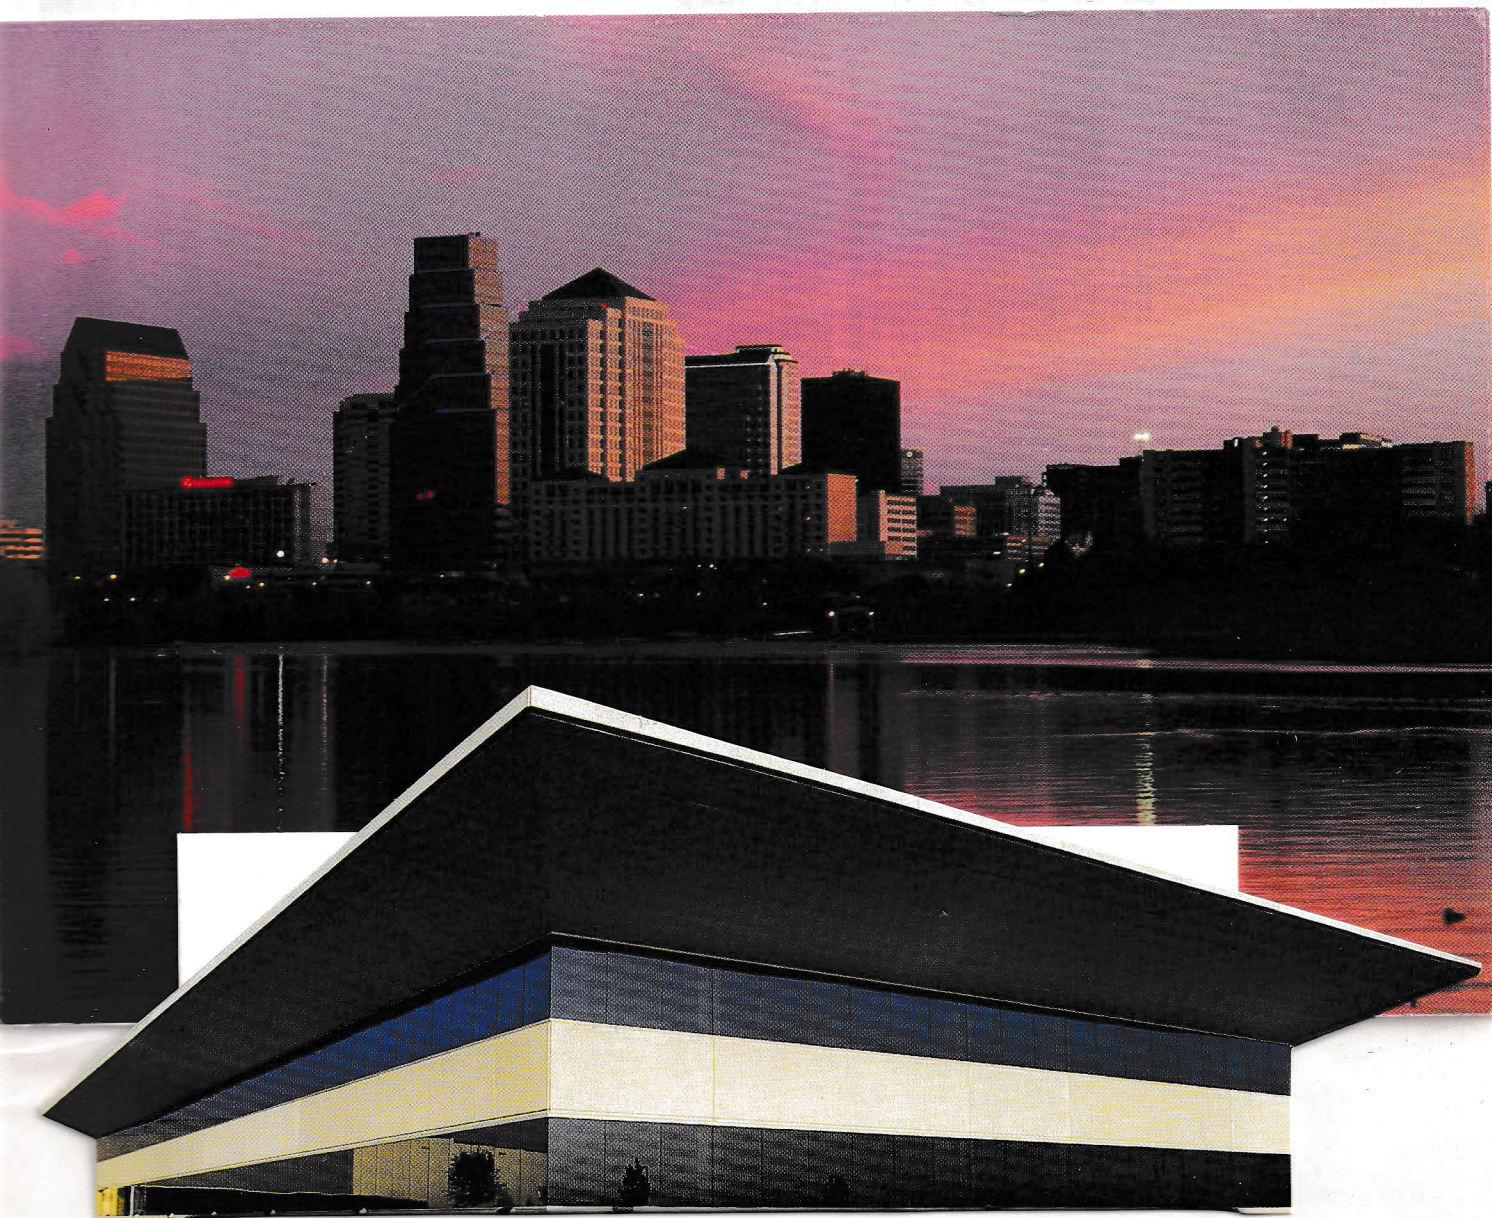

(From IH-35, take the Riverside Drive exit; go east on Riverside Drive to Grove Blvd.; turn RIGHT on Grove Blvd. TEA is at the intersections of Riverside Drive, Grove Blvd. and Montopolis Drive)

Media Advisories will also be issued today by the City of Austin Public Information Office and Austin Community College. **Television and print media cameras are welcomed, not only at the news conference, but at the Grand Opening ceremonies as well.**

For more information about Tokyo Electron and/or events on October 29th, please call the media contact listed above.

(#)
